### CHILDREN'S LITURGY

*This week we hear how Jesus asked a rich man to give away his money to the poor. The man was sad, he didn't want to give everything away. How would you feel if you were asked to give away all your toys? If we have more than enough, we should share with others. Have you heard of food banks? – it's where people go to get food if they do not have enough. We can help by sharing what we have.*

*Can you remember a time when someone shared something with you? – how did it make you feel? Can you remember a time when someone didn't share with you? – how did it make you feel?*

*Every time you share with someone you are making a difference. God will share a place with you in heaven.*
